

CALL FOR PAPERS

ICMICI'2025

3rd edition

International Conference on Metrology, Industrial
Control and Innovation

28-29th
OCTOBER 2025

The Institute of Optics and Precision Mechanics and the UFAS 1 Incubator are jointly organizing the 3rd edition of the International Conference on Metrology, Industrial Control, and Innovation (ICMICI 2025), which will be held on October 28-29th, 2025, at Setif 1 University Ferhat Abbas, Algeria.

This event will bring together researchers, academics, and industry professionals from around the world to exchange insights, discuss recent advancements, and explore innovative solutions in the fields of metrology, industrial control, and innovation.

Join us for this prestigious scientific and technological gathering, offering a unique opportunity for collaboration and knowledge sharing.
